X-RAY UNIT ARRIVES TO COMBAT TB

The Christmas seals you bought during the fund campaign by the National Tuberculosis Association began paying off in personal dividends this week when a big trailer sponsored by the Association, in cooperation with the Albany Chamber of Commerce, arrived to take free chest X-Rays of all persons over 15 years of age.

The trailer is stationed on Solano Avenue just off San Pablo and is staffed by two technicians, Miss Naomi Kleinberg and Mrs. Alice Duffy of Oakland. Volunteer workers from local P.T.A. groups and other women's clubs are in charge of registering those having their chests "shot."

The entire procedure of registering and X-Raying takes less than one minute and there is no waiting in line. No clothing need be removed except coats.

All persons will be notified within two weeks as to the results of their X-Ray after they have been carefully studied by expert chest doctors. Not only tuberculosis but any other chest abnormality will be reported. Negative results will be reported by form cards.

Hours of operation of the trailer are from 9 a. m. until 5 p. m. week days and 9 to 12 a. m. on Saturday. It will be here until August.

New St. Alban's Episcopal Church - Albany - Cal - Rev. Randolph C. Miller - Vicar

Ground Breaking Sunday For St. Alban's Church

The church that was made possible by the vision of a barber, who used his job to raise money for the church will break ground next Sunday afternoon at 3 o'clock, beginning at the old store-front church at 1489 Solano Avenue. The three who will handle the shovel will be the Rt. Rev. Karl Morgan Block, bishop of California, the Rev. Dr. Randolph Crump Miller, vicar of St. Alban's Protestant Episcopal Church, and Frank Gerald Sibilia, chairman of the building fund committee from its inception seven years ago. Walter Gilchrist is general chairman and the two choirs are under Lois Fox Herr.

Mr. Sibilia conceived the idea that a man can use his vocation to serve the church, and many others now share his idea. It began with the giving of haircuts, with donations to the building fund; it grew until over 70 members and friends of St. Alban's had figured out ways of "giving of their vocations." An accountant, a cosmetic saleslady, a writer or two, those skilled in flower arrangements, an artist, a singer, cooks, and many others learned that they could use their spare time and their particular skills to pay for their church. And today there is \$23,000 in cash on hand for the construction of a modern, up-to-date, educationally sound parish hall.

R. E. Johnson and Son of El Cerrito are the contractors, and the design was provided by the noted church architect, Arnold Constable of Sausalito. The total cost of the building will be about \$45,000, and it should be ready for occupancy before the end of the year.

Dr. Miller will preach on "The Babbler and the Philosopher" and tell a story for the youngsters at 11 a. m. Dr. Miller is a professor at the Church Divinity School of the Pacific and is the author of "What We Can Believe," "A Guide for Church School Teachers" (now in a second printing), and "Religion Makes Sense" (to be published this winter). He also edited "The Church and Organized Movements."

They Come From Near And Far to the VFW Saturday Night Dances

The Saturday night dances, sponsored by the Albany VFW Post are proving popular with old and young alike from as far east as Stockton. Post Commander H. J. Ham reports that visitors have come from Hayward, Livermore, Tracy and other Bay Area cities to enjoy the modern and old time dances featured at the Veterans' Memorial Building.

Such old time dances as the Lancers, Paul Jones, Spanish Waltz and many others are finding favor among the young people as well as the oldsters. Music for the dances is furnished by Mable Christensen and her famous orchestra.

MORGAN'S MEANDERINGS

By M. S. T.

Saw Dick McSheehy of the Fire Department and Ed Haran, Mr. Ex himself of the Albany Exchange Club, in a hot argument over the softball clash soon to tangle the two teams. Seems the fire laddies want to add the perpetual cup to their growing collection of trophies. This annual brawl is slated to break out next month and should be a good one this year, since the robber chasers and smoke eaters have won the trophy two years in a row.

Friends of Mrs. Helmi Ahlquist, 906 Washington St., will be glad to learn that she is up and around again after a six weeks stretch in bed. She was painting her summer cottage at Manteca and took a nasty fall.

Ah, happy vacation time: Mr. and Mrs. A. R. Graham of 1055 Cornell Ave., and friends from Richmond have just returned from an extended vacation tour of Yellowstone, Glacier, Jasper, Banff and Lake Louise, Canadian National Parks. . . Al Woods and the missus left Saturday for a bit of angling for the big 'uns in Yellowstone.

Scotch Meat Pies Now Featured at Blangene

The fame of the McDee Scotch meat pies featured at the Blangene Bakery, 1558 Solano Ave., is spreading throughout the city. With the original Scotch formula Blanche and Gene Jacobs are fast making their bakery the headquarters for good meat pies as well as all other types of fine pastries. The best quality meats and the crisp, tasty crust whipped up by Jacobs, with 18 years experience as a baker, make the meat pies a true delight for the connoisseur of good food.

JULY 25-31 IS JOSEPH LEE WEEK

Mayor Lawrence Williams this week issued a proclamation calling for observance by the community of the week of July 25 through 31 as Joseph Lee Week in living tribute to the man who has become known as "the father of American recreation." It was Lee's idea that every child should be given an opportunity to participate in a public recreation program and that these activities should be held in proper environment under supervision as a governmental function.

Special programs will be held at the various playgrounds throughout the week and Williams has urged Albany citizens to visit their neighborhood playgrounds to join in the commemoration. Superintendent of Recreation Edwin S. Howell stated that Albany will join other cities throughout the nation on Friday, July 25, with special programs at each playground and community center.

Memorial Park, under the direction of Vince Sherry and Jean Armstrong will open the day's activities with a boys' baseball game between an all-star team picked from the Memorial Park League playing the Codornices all-star team at 10 a. m. at Codornices Victory Field. At noon a wicker roast and picnic lunch at Memorial Park will be followed by games and races which were favorites of Joseph Lee. At 3 p. m. a story hour followed by community singing will round out the day's program.

Marin School and Terrace Park (Continued on page two)

A luncheon and card party, sponsored by the Catholic Ladies Aid, Branch 54, will be held Tuesday, July 29, at 12:30 in the St. Ambrose Hall, Gilman and Kains. Tickets are 50c. Call Mrs. Cook, LAndscape 5-3018 for reservations.

1,000,000 NEW ELECTRIC HORSEPOWER TO SERVE A GREATER CALIFORNIA

Map locations: EUREKA STEAM PLANT, CRESTA POWER HOUSE, ROCK CREEK POWER HOUSE, VACA DIXON SUBSTATION, ELECTRA POWER HOUSE, STATION P STEAM PLANT, MISSION SUBSTATION, MORAGA SUBSTATION, TESLA SUBSTATION, WEST POINT POWER HOUSE, KERN STEAM PLANT.

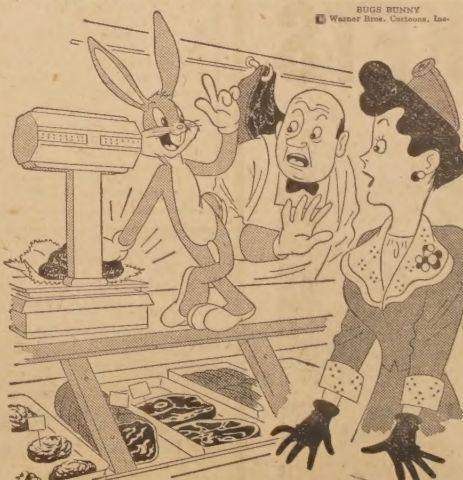

SHORTLY AFTER THE WAR ENDED, we announced a construction program which will provide 1,000,000 additional horsepower of electricity and expansion of natural gas distribution facilities to help build a greater California. This program will cost over \$350,000,000 during a six-year period. Last year over \$44,000,000 was spent on this program, and nearly \$7,000,000 a month has been spent so far this year to press forward this vast construction and expansion throughout Northern and Central California.

When the program is completed in 1951 there will be available a total capacity of more than 3,500,000 electric horsepower for distribution to the homes, farms and factories in the area this Company serves.

Down through the great Central Valley from Shasta County to Kern County and along the coastal plain from Humboldt County to Santa Barbara, P. G. & E.'s integrated network of generating and distributing facilities is being expanded as fast as materials and equipment can be made available. Thus we provide electric power and gas service for the future needs of Northern and Central California.

Come in and see the cab that "breathes"

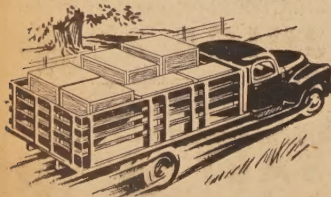

The cab is FLEXI-MOUNTED—cushioned on rubber against road shocks, torsion and vibration! . . . Driver's compartment is wider, with more leg room. The seat is fully adjustable, bigger and more comfortable. Wider, deeper windshield and windows increase visibility by 22%!

Panels and pick-ups have INCREASED LOAD SPACE—strike and high rack bodies more efficient loading. . . . New, stronger, sturdier FRAMES are designed to carry greater loads greater distances for a longer time!

The Cab that "Breathes"

Fresh air is drawn in from the outside—heated in cold weather—and used air is forced out!

Longer wheelbases give you better load distribution. . . . Chevrolet's famous FULL-FLOATING HYPOID REAR AXLES are geared for the load!

Chevrolet VALVE-IN-HEAD TRUCK ENGINES are world's most economical for their size. . . . There are HYDRA-LIG TRUCK BRAKES exclusively designed for greater brake-lining contact—for positive action!

"THE RENTER who sings 'Home Sweet Home' is kidding himself and serenading the landlord. Money once handed over is gone forever but the money you put into a house is still yours. It changes its form—it becomes property instead of gold and simply passes from your right pocket to your left!"—Billy Sunday, Evangelist.

5 ROOM stucco Westbrae District. Basement room large enough for rumpled room. All hardwood floors, fireplace. Attached garage. Lot 50x100. Near transportation and shopping. \$3,000 handles.

STOP serenading the landlord—let us sell you this house!
